

Challenging jobs won't put you in a tough spot.

The Model 300's compact design makes it perfect for tight spaces and narrow doorways. It touts exclusive features such as our patented Dial-A-Cable power feed that automatically sends cable in and out of the line and our whisper-quiet, gear-reduced Permanent Magnet motor that provides quicker torque and longer life. Its 107' cable capacity means you don't have to give up big power and performance in a compact machine.

SPECS
