

SPARTAN TOOL

MODEL 81

Hard to reach never means hard to handle.

The compact, lightweight Model 81 cable machine can work vertically or horizontally to clean 1-1/4" to 3" lines. This is the ultimate tool for tackling even the toughest, tightest medium-duty jobs in bathtubs, showers, laundry tubs and sinks. Looking for a lean, mean clog-bursting machine? You've found it.
