

High quality sewer inspections are easy with a 1080P full-HD camera head.

The Traveler Lite 2 is a budget-friendly, field-repairable, open-reel camera system for general inspection and locating jobs in 2" to 4" pipe sizes. Choose between wireless or wired operation. It features a 23mm (0.9 inch) self-leveling camera head with LED lights and 130-foot push rod. With its 9-hour battery life, the Traveler Lite 2 won't let you down on the job. It is designed to be used with an iOS or Android device (not included). The Traveler Lite 2 runs on the Spartan Vision app 2.0, which includes a free PDF report builder, audio voiceover recording, and more.
