

SPARTAN TOOL

TRAVELER LITE CLASSIC

Budget-friendly, high-definition sewer inspection camera from Spartan Tool.

The Traveler Lite Classic is a budget-friendly, field-repairable, open-reel camera system for general inspection and locating jobs in 2" to 4" pipe sizes. It features a 23mm (0.9 inch) camera head (self-leveling available) with LED lights and 130-foot push rod. With its 1080p high-definition display and 8-hour battery life, the Traveler Lite Classic won't let you down on the job.
